SERMON NOTES

SERMON: Hebrews 9:1-14 | From Ritual to Redemption

MAIN IDEA: Old Covenant _____ rituals failed to provide the _____ redemption Christ secures in the New Covenant.

1. The _____ tabernacle provided limited access to God and temporary cleansing from sin. (vv.1-10)
2. Jesus _____ the perfect tabernacle, providing complete access to God and permanent cleansing from sin. (vv.11-14)

Adjust: _____ yourself to see whether you are in the faith.

Application Questions:

1. What does the most holy place reveal about God's character? How does Christ's work on the cross remove the barrier between the most holy and holy places—and why is this significant?
2. How did the repeated sacrifices of the old covenant demonstrate their limitations? What does this reveal about the sufficiency of Christ's sacrifice in the new covenant?
3. How does Jesus's "once for all time" atonement affect the way that you view your relationship with Him? How does this truth anchor our hope in the security of our salvation and help us endure until the end?
4. What does it mean for your conscience to be cleansed from "dead works," and how does this freedom empower you to worship God wholeheartedly and serve Him joyfully in our church?
